OLD SALT

DISTILLERY

SINCE 2021

Welcome to Old Salt Distillery!

We are a little more than a small batch distillery, we have a passion for sourcing quality produce & re-discovering food and drinks from yesteryear.

Our distillery is finally operational and we are currently experimenting with different recipes. In addition to spirits, we produce our own beers, real fruit-based sodas and seltzers.

Come in, relax, indulge a little and let us do the cooking! We love everything to do with food and drink, hence we endeavour to make everything from scratch.

Happy days,

Terry & Michelle
